Certificate for Plot No.60, Sector - 17, Kalamboli, Navi Mumbai.**

**Ref : 1) Commencement Certificate from Additional TPO
No. CIDCO//ATPO/986 dated 30.09.2014**

**2) Application received from M/s.Rahiri Constructions Pvt Ltd.,
1202, Maithili's Signet, Sector - 30A, Opp. Vashi Rly Station,
Vashi, Navi Mumbai - 400 705..**

This is to certify that Sanitary Officer of Public Health Section CIDCO has visited and inspected the above site and found that applicant has fulfilled all the conditions as per health point of view. Hence Chief Health Officer grants no objection certificate to concerned party and as per Ref No.1.

Care should be taken to

1. To avoid the water accumulation in house and campus to prevent the mosquito breeding.
2. Top of drainage vent pipes should be provided with nylon net fixed with nylon thread.
3. Two separate dist bins should be provided in house one for kitchen and vegetable waste and another for recyclable waste like paper, metal, glass, rubber etc.
4. Water tank (UG & OH) should be cleaned every six months & water tank should be air tight so that mosquito's will not enter & breed.

Chief Health Officer
